SUBSTITUTE SPECIFICATION

37 C.F.R. §1.125, a substitute accordance with In included in lieu of substitute specification has been connection with the present Preliminary in paragraphs Amendment. The substitute specification is submitted in clean form, attached hereto, and is accompanied by a marked-up the version showing the changes made to original specification. The changes have been made in an effort to place the specification in better form for U.S. practice. No matter has been added by these changes to the new specification. Further, the substitute specification includes paragraph numbers to facilitate amendment practice requested by the U.S. Patent and Trademark Office.
